

# Alligator® Quad Staple Driver™

AS210

Take advantage of a time and labor saving solution that makes installation of Alligator® Ready Set™ staple fasteners easier than ever.

Alligator®  
Quad Staple  
Driver™

<b>Ordering Number</b>
----------------------------

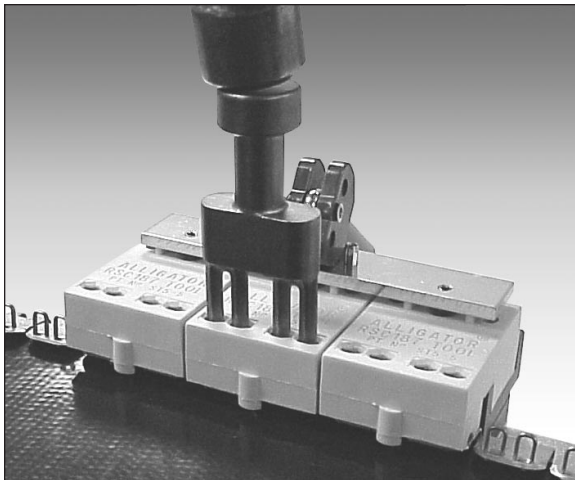

ST6-9
-------

The new Alligator Ready Set Quad Staple Driver™ allows for the installation of four staples at one time. Using a 2 lb. hammer, this durable, heat-treated steel quad drive rod allows installers to cut their installation time by 50%. The Quad Staple Driver features a wider striking surface to facilitate installation. Quicker installation of Alligator Ready Set reduces downtime and increases performance.

The Quad Staple Driver makes the installation of Alligator Ready Set that much easier.

## Market Applications

- Package/Parts Conveying
- Food/Sanitary Contact
- Agricultural Harvesting/Handling
- Recycling/Scrap Handling
- Wood Products
